Leaf and Yard Waste Pickup

Leaf pickup is well underway. Residents are asked to rake their leaves to the street and place them in the curb lawn area for pickup. Village staff will continue to pick up the leaves as their schedule allows through the end of November.

During the leaf pickup season yard waste may be placed unbagged curbside with the leaves. Village crews will vacuum this yard waste up with the leaves and take it to be composted. Once the leaf season is completed, residents are asked to return to the use of biodegradable paper yard waste bags.

Village Trash Progress

Village crews continue to become faster and more efficient through the use of the automated trash truck. As a result of this increase in efficiency, we are able to pick up your trash quicker and finish earlier in the day, allowing our staff to move on to other duties such as stick and leaf pickup.

We would like to remind residents that trash and recycling containers must be placed curbside by 7:30 AM on the day of your trash pickup. This allows our staff to pick up your trash without the need to circle back for containers that were not set out before the trash truck arrives.

If you have any questions or concerns about the trash schedule please call the Government Center at 937-473-3420.

November Holiday Schedule

Veteran's Day – Tuesday, November 11, 2014 - The Government Center will be closed all day. Tuesday and Wednesday trash pickup will be delayed one day.

Thanksgiving Holiday - The Government Center will be closed Thursday, November 27, and Friday November 28, 2014. Trash pickup will remain on the regular schedule.

Happy Thanksgiving!
