Mondays of each  
month.

**Planning & Zoning  
Meeting** 7:00 P.M.  
3<sup>rd</sup> Wednesday of  
each month.

## Yard Waste Pickup

The Village of Covington, as part of our village trash service, provides yard-waste pickup to village residents. Residents are asked to put yard-waste in biodegradable paper bags curbside on their normal trash pickup day. Tree branches should also be placed curbside for pickup. Village employees will pick up these items as time allows.

## Utility Account Numbers

Approximately 575 water meters have been updated in the Village. When water meter information is updated in the utility billing system, each utility account automatically receives a new account number. This allows the billing system to track which water meters have been updated. If you pay your utility bill by an online bank check service, please take time to verify that the account number you have listed on your check matches your current account number. This will insure that your payment is correctly posted to your account.

## Community Garage Sales

Covington Community garage sales will be held on June 5 and 6, 2015. Contact the Government Center if you would like your garage sale to be listed in the newspaper ad. The cost is \$5.00

## Large Item Pickup

The Village will again provide curbside pickup of large items the week after the garage sales. This service will be provided to residential trash customers at no additional cost the week of June 8th.

## Part Time Maintenance Work

The Village of Covington currently has openings for part-time summer maintenance workers. This position requires a valid Ohio driver's license. Applicants must be at least 18 years old. Please contact Village Administrator Mike Busse to apply.
