Mondays of each
month.

**Planning & Zoning
Meeting** 7:00 P.M.
3rd Wednesday of
each month.

Community Garage Sales

Covington Community garage sales will be held on June 2, 3 and 4.

Large Item Pickup

The Village will again provide curb-side pickup of large items the week after the garage sales. This service will be provided to residential trash customers at no additional cost the week of June 6.

Income Survey for Grant Funding

The first week of May the Village randomly sent out income surveys to households in the Village of Covington. The purpose of these surveys is to establish a median household income level for the village to assist us in qualifying for grants for future infrastructure projects. If you have received a survey in the mail please take a couple of minutes to fill it out and return it in the postage-paid envelope. The Village is required to have the majority of these surveys returned in order for the survey to be considered valid. Beginning the first week of June, staff from the village will be contacting residents that have not yet returned their survey.

Mosquito Control

If you have been watching the news you are probably aware of the growing concern for diseases such as West Nile and Zika which can be transmitted by mosquitos. The Village of Covington is continuing its mosquito fogging program again this year, but fogging alone is not enough. Standing water becomes a breeding ground for disease carrying mosquitos. Items such as used tires, buckets, or unused swimming pools may become a haven for thousands of mosquitos. We ask that each property owner check his or her property to be sure that all items or areas that allow standing water are eliminated. With your help we can work to control the mosquito population in Covington.

Memorial Day

The Government Center will be closed Monday May 30th in observance of the Memorial Day holiday. Trash services will be delayed one day.
