

Gas & Electric Aggregation

The Covington Village Council continues to work with Village residents to provide information on the Gas and Electric Aggregation program.

Opt-Out letters from Dynegy, our electric supplier, and Constellation, our gas supplier were mailed out to residents and small businesses not currently under contract with a supplier.

If you received a letter from Dynegy for electric or Constellation for gas and you wish to participate in the Covington aggregation program(s), no further action is required on your part as you will be automatically enrolled. If you have not received a letter, call the supplier on the back of your bill to determine if your current supplier has a penalty for you to get out of the current contract.

Dynegy's aggregated electric rate is 0.0529/kWh through April of 2020.

Constellation's aggregated gas rate is 0.423 per Ccf through May of 2019. If you would like more information, call the Government Center at 937.473.3420.

Contact phone numbers for Dynegy and Constellation are listed below for your use.

Dynegy Electric 888.682.2170

Constellation Gas 844.268.4897
