Mandatory Village Income Tax Filing

We wish to remind Village residents 18 years of age and older that the deadline to file mandatory village income tax forms is April 15, 2014. After that date a late filing penalty of \$ 25 per month will be assessed.

Spring Fire Hydrant Flushing

We have recently experienced problems at the Village water plant which interfered with the removal of iron and manganese from our raw well water.

These higher than normal levels of iron and manganese caused some discoloration in the water. Our water plant operators have been completing additional testing and have made adjustments to the operations to correct the situation. Although this discolored water was objectionable, it posed no health hazards and is safe to consume.

Spring fire hydrant flushing will be completed the first week of April and the flushing should help eliminate any discolored water still in the system. Please refrain from washing clothes that may be discolored during the first week of April.

Covington Business Highlight

Periodically we will be selecting one of our local businesses to highlight. We have selected Siegel's Covington Country Store for this month's highlight.

Siegel's Country Store is a family owned and oriented business started in 2004 by John, Kathy, Ben, and Theresa Siegel at the site of the former Erb Lumber Company located at 242 E Broadway St. Josh Siegel came on board when his father John retired in 2012. With an agricultural based background their emphasis is on service and customer satisfaction.

Some of the items and services Siegel's offers include:

A full line of plumbing and electrical supplies, livestock feeds, propane tank exchange, cut glass, pet foods and supplies, hay and straw, screen repair and glass replacement, wood shavings, softener salt, ice melt salt, large selection of bird seed, basic lumber, amish meats & cheeses, eggs, boots, wood fuel pellets, biodegradable lawn bags, rental equipment and many more items.

Please check out Siegel's Covington Country Store, they just may have what you need. You can also view their website www.Siegelscountrystore.com for a complete listing and more information about what their store has to offer.
