Sidewalk Maintenance Program

The 2017 sidewalk program has been completed. Sidewalks to be replaced under the 2018 sidewalk maintenance program will soon be identified and notification letters will be sent out to affected property owners. We would like to thank village residents for the support that you have given us while completing this year's sidewalk maintenance project and look forward to another successful year in 2018.

Utility Bill Direct Withdraw

The Village of Covington continues to offer direct withdraw from customer accounts for payment of their monthly utility bill. We currently have approximately 140 customers utilizing this service. If you are interested in signing up for this service, the form can be downloaded from the village website or you can stop by the government center and Mary will be happy to assist you.

The Covington Utility Department Offers On-line Invoice Services and Payment Options.

Covington utility customers are now able to access and pay their utility bills on-line. Covington utility customers use information obtained from their most recent utility bill to register as an online customer. Once registered, Covington customers may use the website to view past utility bills, and consumption data. Utility Customers also have the ability to make payments on-line using their checking account or major credit card.

For your convenience, a link has been added to the Covington Village Website Utility Department page to allow customers to easily access the utility billing system.

Emailing of Utility Bills

Each month the Village of Covington emails many of our customers a copy of their monthly utility bill. If you would like to have your utility bill emailed to you please contact Mary at the Government Center and she will be happy to set this service up for you. Emailed utility bills are provided to our customers at no cost. If you are currently a utility customer that receives both a paper copy in the mail and an emailed copy we would be happy to change your account to an email only delivery. As always, we encourage any input you may have. Please feel free to contact our office at 937-473-3420.
