Community Garage Sales

Covington Community garage sales will be held on June 1, 2 and 3, 2017. Contact the Government Center if you would like your garage sale to be listed in the newspaper ad. The cost is \$5.00.

Large Item Pickup

The Village will again provide curb-side pickup of large items the week after the garage sales. This service will be provided to residential trash customers at no additional cost the week of June 5.

Gas & Electric Aggregation

The Covington Village Council continues to work with Village residents to provide information on the Gas and Electric Aggregation program.

Opt-Out letters from Dynegy, our electric supplier, and Constellation, our gas supplier have been mailed out to residents and small businesses not currently under contract with a supplier.

If you received a letter from Dynegy for electric or Constellation for gas and you wish to participate in the Covington aggregation program(s), no further action is required on your part as you will be automatically enrolled. If you have not received a letter, call the supplier on the back of your bill to determine if your current supplier has a penalty for you to get out of the current contract.

Dynegy's aggregated electric rate is 0.0529/kWh through April of 2020.

Constellation's aggregated gas rate is 0.423 per Ccf through May of 2019.

If you would like more information, please go to the village website www.covington-oh.gov or call the Government Center at 937.473.3420.

We have included contact phone numbers for Dynegy and Constellation for your use.
