The following is the February 2017 Covington School Resource Officer Monthly Report:

The 2016-2017 school year continues to be busy throughout the month of February. I continue to work closely with the school administration to ensure that the safety and security of all of our students and staff. We have finished revisions to our School Safety Plan for the entire district, which has completed the multiple month process. The School Board has moved forward with plans for the connecting hallway between the High School and the K-8 Building. This project should occur over the summer between the end of this school year and the beginning of next school year. This connector is essential in providing a secure facility for our students. This project was delayed by the State of Ohio, which is why it was not built prior to this school year.

My daily activities within the school district remain unchanged. I continue daily parking lot checks, multiple daily building walk-throughs, lunch room supervision, being visible during High School and Junior High class changes and patrolling the school zones and school properties before and after school.

I had two classroom presentations in February. The first, a bullying presentation for the entire 6<sup>th</sup> Grade on February 2 and the second, The Truth About Drugs: Year 2 for 7<sup>th</sup> Grade Health class on February 27. During the bullying presentation, the students were taught the definition of bullying, discussed examples of bullying, were given ideas for what to do if they are the victim of or witness bullying, and then had time to ask questions. This was given to all 58 students of the 6<sup>th</sup> Grade. The Truth About Drugs: Year 2 presentation, follows up on the Year 1 version that the students received last year in 6<sup>th</sup> Grade Health Class. During this presentation the effects of drugs were discussed, including Heroin, Prescription Drugs, Alcohol, Marijuana and Ecstasy.

On February 8, I spoke to the Covington Noon Optimist Club and gave an update on the School Resource Program at Covington Schools. During the presentation, roles and responsibilities, policies and annual statistics were discussed.

February also saw the close of the Winter Sports Regular Season for Covington Junior High and High School athletes. Covington High School hosted 4 home High School Boys Basketball games: February 4- Coldwater, February 7- Tri-Village, February 14- New Bremen and February 17- Mississinawa Valley. I continued to work each of these contests per contract. In addition to these games, I also attended the following games off-duty to further the School Resource Officer/Student and Parent relationship: February 3- High School Boys Basketball at Ansonia, February 4- Junior High Girls Basketball Tournament at Covington, February 7- Junior High Girls Basketball Tournament at Covington, February 18- High School Girls Basketball Tournament at Brookville, February 22- High School Girls Basketball Tournament at Brookville, February 24- High School Boys Basketball Tournament at Piqua and February 28- High School Boys Basketball Tournament at Piqua.
