The following is the School Resource Officer Report for May 2019.

May is the last month of the 2018-2019 school year, and it was busy with various activities in the classroom and throughout the schools.

On Thursday, May 2, I gave my annual 6th Grade Bullying Presentation to the entire grade. This presentation discusses causes, types and effects of bullying. I also present the students with multiple ways to stop and report the bullying.

On Friday, May 3, I presented the 6th Grade Combined Health and Opioid Prevention Education (HOPE) presentation to the entire grade. This presentation discusses some of the more commonly abuse drugs: illegal, prescription medications, over-the-counter medications and alcohol and their effects on the user, their lives, families and friends.

Also on May 3, was the annual Covington High School Track Invitational with 14 teams participating. This was my fourth year assisting with the Invitational, and due to great weather, it was probably the largest crowd I have seen.

On Monday, May 6, I met with the District Administrative Team regarding the District-Wide Safety Drills occurring during the following couple of days.

On Tuesday, May 7, the Covington Elementary School held a Safety Drill. During this drill, all staff and students made their way to the "Rally Point" and then to their assigned "Reunification Points." Both of those locations are defined in our state approved Emergency Action Plan.

On Wednesday, May 8, the Covington Junior High/High School held a Safety Drill. During this drill, all staff and students made their way to the "Rally Point" and then to their assigned "Reunification Points." Both of those locations are defined in our state approved Emergency Action Plan. Both Drills were uneventful.

On Friday, May 10, Covington High School Principal Josh Meyer and I traveled to Tipp City at the request of Superintendent Gene Gooding to complete a safety and security evaluation of a location for next school year's Prom.

On Monday, May 13, Covington High School held their Field Day and Talent Show. The day is a very open structured event that allows for interaction in less formal settings with students.

On Monday, May 20, I presented the 7th Grade Combined Health and Opioid Prevention Education (HOPE) presentation to Mr. Pond's 4th Quarter Health Class. Presenting to this class, finished the entire 7th Grade for this school year.

On Thursday, May 23, Covington Elementary School held their End of Year Awards Assemblies. They hold three total: Grades K-2, 3-4, and 5-6. For the fourth year in a row, the SRO Program, with a generous donation from the Covington Noon Optimist Club, raffles off a brand new bicycle, helmet and lock for each assembly. This year our winners were a kindergarten boy, third grade girl, and fifth grade boy. Following the school day, Chief Harmon and I purchased the bicycles at Piqua Wal-Mart and delivered them to the student's classroom for them to have on the last day of school.

Friday, May 24 was the last day for students. For the third year in a row, I assisted Covington High School Guidance Counselor Karen Brackman with Graduation Practice, both at Covington High School and Hobart Arena, where graduation will take place. This gives me a last, very informal time with our graduating seniors to speak with them on various topics.

On Sunday, May 26, Covington High School held their Graduation Ceremony at Hobart Arena. I again assisted Ms. Brackman with the behind the scenes portion of the Ceremony.

The May 2019 SRO Activity Report follows:

05/20/2019	19CO-00848	Child Abuse (ES)	Possible Child Abuse Issue

There were a total of 9 incidents that directly involved the School District, staff or students during the month. These issues were handled with school discipline when appropriate.

This concludes the 2019 School Year with a total of 131 Incidents. We saw a sharp decline in incidents in the last three months of school, I believe we can attribute that to swift discipline from the school administrators, including some expulsions that we haven't seen in the past school years.

The previous school years' incident totals are: 2015-2016 SY: 148, 2016-2017 SY: 110, 2017-2018 SY: 169.

This concludes the May 2019 SRO Report.

Respectfully Submitted,
