Business of the Month (BOM) – June 2021

General Films

The June 2021 BOM a business that has been in the Village since a little after sliced bread was invented – **General Films!** They serve “a wide range of industries with custom extruded film solutions, bag-in-box systems, VFFS, and industrial packaging”.

General Films has been an active member of the business community in Covington for many years, and its founder Roy Weikert and the family trust he created, have been generous supporters of many of the great things going on in the Village.

Congratulations to **General Films** for being the June 2021 Business of the Month! For more information on General Films and to submit your business for consideration, please visit our website for more information - <https://covington-oh.gov/business-of-the-month/>
